AE-60A70Z-50M2C5-G4-ZP

5MP H.265 Intelligent IR Bullet IP Camera

FEATURES

- 1 / 3 " OV4689 CMOS sensor, 5MP full real-time recording;
- Using the latest standard H.265+ video compression technology, high compression ratio, accurate and stable stream control;
- Patent appearance, temperature difference between CPU core and environment are controlled within 15 °C;
- Shell with Aksu spraying process, anti-salt spray, corrosion resistance;
- Industry ultra-high-level lightning protection anti-static design, anti-thunder 6KV, anti-static 15KV;
- Standard isolated POE: 1500V isolation voltage, anti-interference ability.
- IP66 waterproof rating, support internal defogging, dustproof;
- Support 128G TF card video storage, 485, reset, CVBS;
- · Support 2 in 1 out alarm, 1 in 1 out audio intercom;
- DC12V power supply, support POE A, B dual mode;
- With adjustable window, support manually focus and take TF card.

DIMENSION Unit : mm
